- 
1. Artist: Ela Lamblin was selected as the artist for this project from the 1% for Art Program. Kristen O'Donnell and Tina Mankowski (PAT members) helped in the selection process by giving their time to review and interview candidates. At the PAT meeting Ela introduced himself and showed the group some of his previous work. The PAT gave suggestions to Ela on how to become more involved and how he can learn about Yesler Terrace and its residents. Ela is commissioned to do some work at the entrance of the facility and to create a beacon to the community center. You can get more information about Ela and his work at [www.lavision.com](http://www.lavision.com).
  2. Toby Ressler gave an update about the progress of the project and the overall design. The project is currently on schedule and some discussion centered on doing a presentation at the Junetenth celebration. Shari is on this committee and she will give us updates about getting the groundbreaking ceremony as part of this celebration.

Questions and discussions then took place regarding overall layout of the facility, security, parking, CPTED review, budget tradeoffs, daylighting and natural ventilation.

3. The second public meeting is scheduled for Feb. 19<sup>th</sup> at 7pm. The PAT gave suggestions on how we can get the word out. John Forsyth volunteered to help out with translations of the flyer.
4. The next PAT meeting is scheduled for March 6 at 5:00pm in the downstairs conference room at the neighborhood house. Toby will be attending the Yesler Terrace Community Council Meeting on February 12 to update the Council on the project and to talk about the upcoming public meeting.

Meeting adjourned at 6:30pm.
